

Milestone Shout-Out for ALL Sailors

For upcoming milestones such as birthdays or anniversaries, NAVCO is offering the opportunity to create and share short, recorded shout-outs (15-20 seconds) for ALL Sailors. Feel free to adapt the script for different life events. This opportunity will be available year-round.

Instructions:

- Call 1-855-OUR-NAVY (1-855-687-6289)
- Wait for 3-5 second pause after voice directions and record message, using the template script below, after beep.
- Once you hang-up, the audio file will automatically be sent to NAVCO's email where it will be screened before being shared with radio media outlets in the Sailors' hometown.
- Speak AUDIBLY and CLEARLY. If we cannot understand your name, hometown or command your shout-out will be unusable.
